

Thank you very much for your interest in holding your wedding at the Glenfinnan House Hotel.

Please find enclosed our Wedding pack. The menus are only suggestions and we can discuss if you would like something else or dishes prepared in a different way. We can then alter the price accordingly.

We have a Licence for the registrar to marry you, if that would be your choice. Glenfinnan also has a lovely church where you could have your service. There is a £500 charge for holding the wedding and /or reception at the Hotel.

Please find enclosed a list of phone numbers for people that we used at previous weddings and that we feel comfortable to recommend. Our head chef Duncan also makes wedding cakes and Manja can do flower decorations for the hotel or the wedding party as well if you would like.

We can cater for up to 50 people in the hotel (up to 80 at night). Everything over 50 people will be held in a marquee on the front lawn. Please see the pricelist for Tents and Events enclosed in the wedding pack. There will be a surcharge of £18 per person for marquee weddings as we have to hire all equipment, crockery and glasses.

We can offer you a rack rate of £60.00 per person per night Bed & Breakfast. The hotel won't be able to accommodate more than 27 guests, so we have also included different places to stay in and around Glenfinnan.

We can also recommend the Loch Shiel cruises, maybe for the Friday night or between the celebrations. A lot of our couples have enjoyed cruises on the 'Sileas' and it made the weekend more special.

We do not allow people to supply their own alcohol. Please do not ask as we do not wish to offend by refusing.

Please do not hesitate to contact us, if we can help you with anything else or if you would like to discuss things in more detail.

We do urge couples wishing a certain date to secure their date as soon as possible with a non refundable deposit of £500.

Kind Regards

Manja Gibson
